# Money

My girlfriend had always enjoyed showing off in front of \_\_\_\_\_ Noun - Plural, and when we meet a  
\_\_\_\_\_ Proper Noun in a restaurant she \_\_\_\_\_ Verb - Past Tense from the ceiling fan. Amused, \_\_\_\_\_ Pronoun  
increased its speed and she flew off, cracking her head on the floor. The \_\_\_\_\_ Proper Noun felt he should accept  
responsibility for her passing, and tried as hard to compensate for my having lost such a lovely \_\_\_\_\_ Noun.  
Every \_\_\_\_\_ Noun he sends \_\_\_\_\_ Noun - Plural or gold. My new wife feels \_\_\_\_\_ Adjective about it, but  
that doesn't stop her spending it all on pretty \_\_\_\_\_ Noun - Plural and paint for her face. She calls it her dead girl  
money.
