Stressed Out-twenty one pilots

I wish I found some better sounds no one's ever heard,

I wish I had a better voice that sang some better words,

I wish I found some Noun - Plural in an order that is new,

I wish I didn't have to verb-present every time I sang,

I was told when I get older all my fears would shrink,

But now I'm Adjective and I care what people think.

My name's Adjective face' and I care what you think.

My name's blurry face' and I care what you think.

Wish we could turn back time, to the good ol' Noun - Plural,

When our Proper Noun sang us to sleep but now we're stressed out.

Wish we could turn back time, to the good ol' days,

When our momma sang us to sleep but now we're stressed out.

We're stressed out.

Sometimes

a certain Noun will take me back to when I was young,

How come I'm never able to identify where it's coming from,

I'd make a Noun out of it if I ever found it,

Try to sell it, never sell out of it, I'd probably only sell one,

It'd be to my brother, 'cause we have the same body part,

Same clothes homegrown a stone's throw from a creek we used to roam,

But it would remind us of when nothing really mattered,

Out of student loans and Adjective homes we all would take the latter.

My name's 'Blurryface' and I care what you think.

We used to play pretend, give each other different names,

We

would build a rocket ship and then we'd fly it far away,

Used to dream of outer space but now they're laughing at our face,

Saying, "Wake up, you need to make Noun - Plural."

Yeah.

We used to play pretend, give each other different names,

We would build a rocket ship and then we'd fly it far away,

Used to dream of outer space but now they're laughing at our face,

Saying, "Wake up, you need to make money."

Yeah.
