The Bad Rebel Sperm

One day there was a little sperm named swimming ha	appily around in the testicles. His friend
Proper Noun told him that it was time to swim up to the epididymis	s. So both of themAdverb
swam to the epididymis. The epididymis was very and	They then left the
epididymis and went through the vas deferens. Once they were in the vas	deferens they carefully went to the
seminal vesicle. Then they took a visit to the prostate gla	and and saw lots ofNoun - Plural
Then there journey was almost over and they left through the urethra. The	ey went in to the females body racing to
find an egg. When Proper Noun found an egg he was very Fee	. He realized that he would not
be able to swim faster than Proper Noun. He yelled to Same Prop	saying, "I don't want to be a
so if you could wait and go slower, I'll still let you fertilize	ze the egg". She agreed and they shook
tails. When they reached the egg, said goodbye to	Proper Noun - Same Proper
Noun, however, sped up and got to the egg first and fertilized it. He di	idn't feel at all. What
he didn't realize was that he was a bad sperm. He carried the	Virus. When he found out he was
He was so to be able to infect more egg	s. This made his journey worth while.
