# the big game

one day a girl named mya joined a soccer Noun. mya wasn't very Adjective and she didn't want to tell her coach because she was Verb - Past Participle that she would be Verb - Past Participle off the Noun. mya's Noun said that he will not be Verb - Present Tense any Noun - Plural so then mya asked her older Noun Ashley to show her some soccer moves. Ashley said sure and told mya that she just been asked to join a scholarship mya said that's awesome and then they began to Verb first Ashley taught mya how to Noun and Verb a ball the first couple time's mya fell but then she got the hang of it and then Ashley Verb - Past Tense mya how to Verb and Verb - Non 3rd Person Singular Present a goal first mya try to score on Ashley and she Verb - Past Tense one time she was getting Adverb every Noun. soon after that Monday came and mya was ready to play her Noun put her on Noun and when the Noun started and came to half time both teams tied up the score was 3 3 and mya didn't score any of those Noun - Plural but then when there was 10 seconds left in the game mya ran out the other team and scored the winning goal Ashley was there and was very proud of mya and said to her you will be asked to join a scholarship some day.
