## a crazy day

One day my brother went to his \_\_\_\_\_ Noun - Plural game my family tagged along to. When we got there me and my sister decided to go to the park. On the way to the park my sister noticed a boy \_\_\_\_\_ Adjective right beside a \_\_\_\_\_ Noun can and the \_\_\_\_\_ Adjective thing is that there was this girl with her dog and the dog sniffed and stepped right into where the little boy did his business. After that me and my sister started dying of laughter but then we realized that we still had feet so then we could start walking to the park now. When me and my sister got to the park there were already a ton of kids playing so we decided to ask if they wanted to play grounders with us and guess what they all said a big \_\_\_\_\_ Adjective yes. We played for a long time and then me and my sister decided to head back to go back to the game and when we got there they were doing an extra inning because the game was not ready to be over yet. Our team lost but it's ok because after that we celebrated with slices of watermelon that my mom cut up for us. After we finished the \_\_\_\_\_ Adjective \_\_\_\_\_ Noun \_\_\_\_\_ Noun me and my brother went on the \_\_\_\_\_ Adjective baseball field and did some practice pitches. That was basically the end of the day and to me it was the the \_\_\_\_\_ Adjective but the \_\_\_\_\_ Adjective - Ends in EST day ever.
