# the crystal

one day when a \_\_\_\_\_ Noun had \_\_\_\_\_ Adjective to eat every source of water was dried out and there was no wheat, all the crops have been lost and the seeds too. one day from the clouds a \_\_\_\_\_ Noun came down, inside was a \_\_\_\_\_ Noun the king wanted to take it out so king Arthur hired the \_\_\_\_\_ Adjective man in the \_\_\_\_\_ Noun to take it out but know one was strong enough to take it out because no one was healthy and strong to take it out then king Arthur hired men to look for a village to take the stone out they picked a \_\_\_\_\_ Noun and they picked \_\_\_\_\_ Noun than a \_\_\_\_\_ Noun tried it and took it out but he said 'nope I am keeping it unless you pay me 1000 gold and king Arthur gave him the 1000 gold and written on it said 'would you rather have the 1000 gold back or have a village be healthy and strong with lots of food' and he picked to have the food
