Todays news (make it weird and funny)

Today a local boy named fell in a pothole that was (feet) tall. Luckly he got
out by pulling a random boy named in and stood on his head same boys name from first time
got out, but their still trying to get same boy from the second time out. Now weather
Todays forecast % chance of rain. Get the a thing or item out of the place
Tomorrow there is a slight chance of a storm. Have a good night, morning, or evening wel
whenever you're watching this.
