My Disastrous Date!

I heard a(n) Noun at my front door. What could that be? I opened the door to see my Adjective
Noun. He was wearing a(n) Verb - Past Participle Noun with a(n) Adjective
Noun. He had a(n) Noun of Noun - Plural instead of Noun - Plural and some
Noun instead of a(n) Noun. His Noun was a(n) Noun and had only one
Noun. What a(n) Adjective date!
