# Teacher Appreciation

Lander-Grinspoon Academy is known for many things, but by far its [superlative] Adjective - Superlative [ Noun ] Noun is its [adjective] wonderful [noun] staff. From the Gan to Kitah Vav, [plural farm animal] students at LGA learn while learning to [verb] care. This is in no small part because their [plural jungle animal] LGA staff model it for them. Every morning, students shake [plural body part] hands with [famous celebrity] an adult who knows them and cares about them, and are similarly nurtured by [famous group of people] teachers and [famous rock band] staff all day long. [Plural brand of car] Kids here know they can turn to the grownups around them for a helping [kitchen utensil] hand, a strong [dessert] shoulder, and a sympathetic [power tool] ear -- and that's how they learn to be all those things for their [plural noun] peers, too. When [adjective] inquisitive [plural noun] minds are paired with [adjective] talented [plural noun] educators, the result is a [adjective] fully engaged [noun] classroom. [Plural noun] LGA staff, we love you! Thank you for all that you are and all that you do, each and every day of the year.
