Chemiluminscense

When I woke up one _____
I felt as if something was _____. I went into the kitchen and
immediately knew I was correct. _____, _____ what a gory sight my kitchen was. The real
question is how did it get like this. I try to convince myself that it was a break in but as I begin to stare at the
dead body of my wife _____ I begin to get sudden snapshots of the prior _____. Me
and my wife had got into a fight and it got heated. We yelled and she slapped me and that's when everything
went black. I remember watching CSI and seeing how _____ clean up the crime scene and I right
away began to start scrubbing the floors on my hands and knees. Oh how that blood was so thick. When my
neighbor heard a _____ commotion she called the cop and I was arrested. I thought I might get away
but because of how advanced the forensic specialist were I ended up getting caught and charged with the
_____ of my wife and sentenced to life in prison all because of a luminol test. Although I cleaned up her
blood and thought I could get away the iron in her blood and the undetectable blood is what got me convicted so
now I spend my days _____ in the states prison but the urge to kill again never leaves.....
