# Mutants

Ever feel \_\_\_\_\_, like you are different everyone else? Well, that's how I felt before I met professor \_\_\_\_\_.

He helped me to control my powers and \_\_\_\_\_. I now use them to \_\_\_\_\_ people and make the \_\_\_\_\_ a better place.

There are bad people out there that I have to \_\_\_\_\_ every once and a while.

Mostly other mutants that are \_\_\_\_\_ of those with no mutations because they can \_\_\_\_\_ normal lives and mutants can't.

But professor \_\_\_\_\_ is not like that, he is like a teacher. But he is super powerful even if he is in a \_\_\_\_\_ chair.

The government has been \_\_\_\_\_ us down \_\_\_\_\_ but I'm hoping we can have peace with them.
