Doctor Libs Series 1

The series introduces the newly-regenerated Ninth Proper Noun sometime after his involvement in the Proper Noun War, which the Doctor claims wiped out all of the Time Proper Noun - Plural (save himself) and the Daleks. The Doctor meets Rose Tyler , a young woman working in a Noun store in contemporary Proper Noun. Rose is fascinated by the Doctor and joins him in adventures in Noun and Noun with his Proper Noun, though her behavior worries her mother Jackie and boyfriend Mickey Smith, particularly after one instance where she goes missing for Number months. The Doctor and Rose's travels bring them to meet Proper Noun Jack Harkness, a Time Agent from the Adjective century who joins them as a companion. During their travels, they are unaware that the words "Bad Wolf" appear near them on their travels, such as graffiti written on Noun - Plural. The Doctor becomes aware of the frequent reappearance of the word and suspects it is some sign of things to come that is following them.

In the final Determiner, the Doctor, Rose, and Jack arrive on Satellite Five in Earth's far future, discovering that the development of humanity has been hindered by the Daleks. The Emperor Dalek explains it had survived the Proper Noun War, and has been creating new Daleks by harvesting Noun - Plural, and now plans to convert the rest of Noun into Daleks. As the Dalek Noun prepares to attack Proper Noun, the Doctor constructs a Proper Noun Wave device that will destroy all lifeforms near Earth, including Noun - Plural, believing that humanity will survive on via human Noun - Plural on other

planets. He tricks Rose into the _____ Proper Noun and sends it back to the _____ Adjective century to protect her, while he and Jack organize human forces to protect the satellite until the Delta Wave can be triggered. In the attack, Jack is _____ Verb - Past Participle by the Daleks.

Rose is shocked that the Doctor had sent her back. However, when she sees the words "Bad Wolf" in _____ Proper Noun all around where the TARDIS landed, she takes this as a sign, and tries to open the _____ Noun of the TARDIS to return to help the Doctor. Jackie and Mickey, seeing her devotion to the Doctor, help her to do so, and she is suddenly infused with the _____ Noun from the TARDIS. The TARDIS returns to the future, and Rose, with her new _____ Adjective powers, vaporizes the Daleks, and brings Jack back to life. She also uses her powers to send the words "Bad Wolf" through space and time as "a message to lead myself here". With the threat _____ Verb - Past Participle, the Doctor absorbs the _____ Noun from Rose before it kills her, and they set course to leave the station, leaving Jack behind. En route, the Doctor reveals to Rose that the energy will kill him but as a _____ Noun Lord, he will be able to regenerate, and soon appears to her as the Tenth Doctor.
