A Day at The Edge

At 10:00am class started. Ikkan was ready to learn about, but Haruka
wanted to learn about Ikkan said he was interested in the solar system's orbit and the moon
and Mitchell agreed. However, Haruka said that simple machines were much more and Melvir
agreed. They had to settle the disagreement somehow. They decided to play a game of trivia.
The winner would get to choose what they would learn about.
First, they were asked about Then, they were asked about states of Ikkan though
he knew them all, but he forgot about! When a question about balancing equations came up,
Haruka eagerly raised her and got the point! However, Mitchell got all the questions about
Noun - Plural right. Then, Melvin answered all the questions about the weather. It was a Adjective
battle.
At the end of the day, it ended in a tie! They decided to learn about both the Noun-Plural and
Noun - Plural . This way, they would learn what they wanted to know and learn more!
