The celebrities were very tired, so they decided to take a hike to Location. To their surprise, it was already inhabited by Adjective Animal (plural) with Adjective Part of Body. They were very Adjective, since the celebrities had accidentally Verb - Past Tense their Food. They decided to punish the celebrities by Verb - Present ends in ING their Noun - Plural. This made the celebs feel Adjective. The habitants apologized, and everyone sang a beautiful rendition of Song before going to eat Gross Food Gross Food at the weird food potluck.
