Stinky Winky

Once there was a very Adjective elementary school named Stinky Winky. This school had a extremely Adjective teacher named Mr. Flabbybottom. Mr. Flabbybottom was a School Subject teacher, who was never Adjective. He was a good looking man with a Adjective Part of Body and Adjective Part of Body. Every day he ate Number live Animal (plural) for lunch. He drove a Adjective Noun van with many bumper stickers on it. His greatest joy in life was his pet Animal, Name of Someone in the Room.
