It was Adjective outside my Noun.

So many people by the score.

Rushing around so Adverb.

They don't notice there's Noun - Plural like me.

Write Adverb, yours truly, dear diary.

They don't know what they're Verb - Present ends in ING.

They've no way of knowing what the Noun is.

Still they carry on Verb - Present ends in ING what they can.

Outside me, yours Adverb, dear diary.

It's Adjective. Will tomorrow be the same?

I know that they're Adverb not to blame.

If they wern't so Adjective then surely they'd Verb - Base Form.

There's a much better Noun for them to be.

Inside me, yours truly, Adjective diary.

But it wasn't anyone I knew.
