# Tree Shopping

\_\_\_\_\_holiday\_\_\_\_\_Holiday) is my favorite holiday because my family and I go to \_\_\_\_\_place\_\_\_\_\_place) to cut down a tree. Every \_\_\_\_\_length of time\_\_\_\_\_length of time), my \_\_\_\_\_family member\_\_\_\_\_family member) always comes with us, in order to help. It usually takes \_\_\_\_\_number\_\_\_\_\_number) minutes for my family to decide on the perfect tree. After we cut it down, it is time for the \_\_\_\_\_Adjective\_\_\_\_\_adjective) task of dragging it back to the \_\_\_\_\_vehicle\_\_\_\_\_vehicle). It is important that we bring a \_\_\_\_\_Noun\_\_\_\_\_noun) to make this endeavor easier. Once we reach the \_\_\_\_\_vehicle\_\_\_\_\_vehicle), the \_\_\_\_\_profession\_\_\_\_\_profession) helps us tie our tree to the roof, and we head into the store to pay for it, buy \_\_\_\_\_liquid\_\_\_\_\_liquid), and after this we head home. It is a \_\_\_\_\_Adjective\_\_\_\_\_adjective) experience I will always remember.
