Once upon a Noun, I had a Noun that I was verb you can do to something plus ing- kissing hugging etc a Noun through Location with Persons name. Well, we ran by Dairy Queen, and it was REALLY hard to resist so we went inside in the middle of the Same noun and ate ice cream. Same Person kept verb you can do to something plus ing- kissing hugging etc and verb you can do to something plus ing- kissing hugging etc ice cream and I was so Adjective at him/her because we were in the middle of a Same noun and he/she just said he/she didn't care. All of a sudden, a Adjective Adjective Noun pulled out in front of same location and my female family member- mom sister grandma etc popped out. She told us to come on in and verb you can do to something-kiss hug etc the Noun, which was strange, because she was usually a party pooper. Their was a ton of Noun - Plural in the Noun. Persons name, Celebrity, Persons name, Persons name, my plural family member- uncles sisters etc Sport team, and the rest of the family. We were even picking up Noun - Plural along the way. We stopped in the Location parking lot for some reason, and Persons name- female came Verb - Present ends in ING down the street, Adjective Noun - Plural, feather Noun, and an Adjective Adjective Noun in her hair. She looked very Adjective, and she got into the Noun like a Noun. Then, suddenly, we turned on the radio and a " song name " blared on the radio and we were dancing like wild Noun - Plural. It was SO fun, and then we went to this Bar for Noun - Plural where we drank liquid. but then Persons name and Persons name and Celebrity said that they needed to go back into their Noun and they wanted
