# My Friends

I have a friend named           Name-Male          . He works at an           Place           in the city. He has           Number           kids , and a very           Adjective           wife. They like to           Verb           on the weekends. We went to           Noun           together. We have been friends for           Number           years, which as a           Adjective           time. We like to go to the           Noun - Plural           together.

I have another friend named           Name-Female          . She works with me at the           Place          . She is           Number           years old, and she isn't married. She likes to           Verb           and play           Noun - Plural          . She wants to be an           Noun          . Sometimes Lucy and I go           Verb - Present Tense           together. She is a really           Adjective           girl, and she bakes           Noun - Plural           for everybody she works with.
