It's hard to keep up with the new \_\_\_\_\_<sup>Noun</sup> these days. HBO moving to a/an \_\_\_\_\_<sup>Fruit</sup> partnership for streaming, not just a \_\_\_\_\_<sup>Noun</sup>, or satellite add-on. Amazon sells you a new \_\_\_\_\_<sup>Noun</sup>, offers you a/an \_\_\_\_\_<sup>occupation</sup> to install it. \_\_\_\_\_<sup>Company</sup> collects, and then sells your data. \_\_\_\_\_<sup>Noun - Plural</sup> are forming their own \_\_\_\_\_<sup>Verb - Present Tense</sup> services, so they can do away with the \_\_\_\_\_<sup>Noun</sup> companies. \_\_\_\_\_<sup>Noun - Plural</sup> are \_\_\_\_\_<sup>Noun - Plural</sup>, everything but a \_\_\_\_\_<sup>Verb - Present ends in ING</sup> lottery number. As \_\_\_\_\_<sup>Fruit</sup> CEO Tim \_\_\_\_\_<sup>occupation</sup> says, "We sell you what you didn't know you \_\_\_\_\_<sup>Verb - Past Tense</sup>." I know what I want, an app that produces a low-calorie pepperoni \_\_\_\_\_<sup>Noun</sup> and a no-calorie \_\_\_\_\_<sup>Noun</sup> on-demand. Let's get on that, Mr. \_\_\_\_\_<sup>occupation</sup>. I'm Tom \_\_\_\_\_<sup>restaurant</sup>, and this is an \_\_\_\_\_<sup>country</sup> Story.
