room 4 legends

There is a place we like to go where everyone knows your name. No it's not a _____Noun_____; or some cheesy

little club. It's a _____Verb - Base Form_____ line. I know what you're thinking:

"a **Repeat Last** Verb - Base Form line?" is that for _____Noun_____?

Maybe for some people but not for me or my _____Noun - Plural_____.

Anyway this is a story about a few of our friendly cast of characters.

First are the _____Last Name_____ sisters; some claim they are the devil's _____Noun - Plural_____ but it's not really true.

They really are very _____Adjective_____ young ladies who are misunderstood.

The next friend I'd like you to meet is Cree. Cree has a magical power of making people disinterested in his

_____Noun - Plural_____ by bogging them down with _____Adjective_____ utterances and details that are not important

to the story.

We also have a _____Noun_____ in our midst; well he likes to think he is a **Repeat Last** Noun but really he's just an

_____Adjective_____ _____Noun_____ who wants to destroy things. His name is **Repeat Last** Adjective Joe.

We have our very own little firestarted named Shakeup and an orange circle that comes in and bothers people

just to laugh at them and run away!
