The Feast

Who's ready to eat?! Tonight we are serving a <u>Adjective</u> meal prepared by our <u>Adjective</u> chef, Emily. For the first course, Emily is serving a <u>Adjective</u> steak with <u>Adjective</u> mashed potatoes. After the guests have finished this <u>Adjective</u> meal, the second course will be served. The second course consists of a huge piece of apple pie and a <u>Adjective</u> side of pickles. This combination might seem strange, but it's one of Emily's <u>Adjective</u> dishes. The third and final course is the grand finale; an all you can eat platter of <u>Adjective</u> pig. After finishing, the whole room is full but happy. They cheer for chef Emily and thank her for the <u>Adjective</u> dinner.
