# Can't cook fish

There once was \_\_\_\_\_ Adjective man named Jacob Hearn. He loved to cook and loved the show Chopped. He turned in 4 and a half forms and showed up on the show. The dude in the glasses that always talks said, "your ingredients are fish, fish, fish....and fish. You have thirty minutes on the clock, your time starts now!" Jacob was completely \_\_\_\_\_ Adjective how to create a dish out of straight fish. \_\_\_\_\_ Pronoun picked up plates and chucked them at the judge and had a tantrum. He grabbed a \_\_\_\_\_ Noun and \_\_\_\_\_ Verb - Past Tense it on the ground. He was no longer in the food business anymore.
