lit parody

Band or Musical Artist vinyl spun Adverb	
in your floor apartment	
where i noticed the rays of sun verb - Present ends in ING through the window	
as we spoke about in a hazy stupor.	
your pale Part of Body fit snugly in mine	
as we walked through Borough of New York City that morning	
your radiant smile felt like a	
and your laugh tasted like	
and sometimes i think of the sunsets of our frantic youth	
and sometimes i remember your pale underneath the moonlight	
and you said i was	
and you said i was pretentious	
and i said, "yeah"
