## ecxprty

In a world where knowledge is growing at a rapid pace, tomorrow's need to be experts at		
applying available knowledge than merely memorizing facts. The Expert Thinking Model		
teaches to integrate skills, apply knowledge, and work in teams to real-world		
problems.		
In order to this kind of applied learning across the, MB seeks endowed		
funding for a program in Engineering & Design Learning, and for the systematic		
Project-Based Learning in each division.		
Endowment gifts to the Expert Thinking Modelverb - Base Form a new program in Engineering and		
Design Learning to accelerate students' creativity and confidence with computational thinking, quantitative		
analysis, and scientific reasoning. Funding also the school-wide use of Project-Based		
Learning, as well as the to design, prototype, and produce solutions, and to verb - Base Form		
computer programming languages and software.
