# Love or Hate? part 1

I watched my mom pack the rest of her cloths into her \_\_\_\_\_ Adjective suitcase. Today is the day we move to \_\_\_\_\_ Verb. and I am not happy about it...at all. I would stay with my \_\_\_\_\_ Noun, but my parents got divorced when I was only \_\_\_\_\_ Number years old. I will be leaving behind so many friends and family members. I have decided, when I get to new york, I will not make any more friends, or even socialize with anyone. I just don't want to forget my old friends. I begin to \_\_\_\_\_ Verb as I walk out of the place I could once call home. "Its sad the place that I've lived in for 18 years is just being forced out of my life" I mumble.

When I get in the car I immediately take out my \_\_\_\_\_ Noun and head phones. stuff like that really relaxes me . After about an hour and a half of driving we finally arrive at the airport, however as soon as I walk into the airport something catches my eye, and I feel anger rush through my body.

WHAT IS THIS GIRLS NAME?

WHAT MADE HER SO ANGRY
