How to Make the BEST Cookies Ever!

_____! It's Chef _____ here, and today, I'm going to teach you how to make the BEST cookies ever! Let's get started! First, you'll need _____ cups of flour and _____ cups of sugar. Mix them in a bowl with a _____. Next, get out _____ eggs, and _____ on them to crack them, then pour them into another bowl. Add _____ cups of milk to the bowl with the eggs, and stir it with a _____. Now pour the liquids bowl into the dry bowl. Right now, these might sound just like ordinary cookies, right? Well, there's two secret ingredients that make these cookies the _____, _____, _____ cookies ever! In other words, the BEST cookies ever! The first one is the _____, that grows on the _____ in _____. The second one, that's even more important, is the _____, which comes from the _____ from _____. Add both of these to the mixture, then stir until the batter turns _____. Now, spoon the batter onto a tray into _____ shaped pieces the size of a _____. This recipe should make about _____ cookies. Once you're done putting the cookie batter on the tray, put them in the oven, which should have been preheated to _____ degrees. Leave them to bake for _____ minutes. While you wait, why not go do a bit of _____? It will make you really _____ and ready for eating the _____ cookies! After the cookies are done, take them out of the oven. You should be able to tell if they are done by checking them to see if they are _____ and _____. If they are done, let them cool for _____ minutes. Now the BEST cookies ever are ready

to eat! I hope you enjoy them! Way to say Bye!
