Wedding Mad Lib 2

My name is Your Name and I am from Where You Are From . I have known the couple for How Long You Have Known the Couple year(s). I traveled How Far You Traveled by How You Got Here to be here. I'm so excited to be sharing this day with Zac and Aleta!

Zac and Aleta met at Place , where they immediately hit it off and began to Verb . They would go on many Adjective Activity and Verb for hours on end. Over the next year, they would Verb together and Verb with each other regularly.

Fortunately, Zac asked Aleta to Verb him and now I get to be part of their wedding. I am so Adjective for Zac and Aleta and wish them many years of happiness!
