My First Time!

The first time I had sex was when I was 22. It was _____ Adjective but he was _____ Adjective, but I didn't care he had a _____ Adjective willey. His name was _____ Firstname of a person and he likes trains. When I told my mother she was not _____ happy or sad even though I was 22! My dad was _____ Adjective with it although he didn't like the way I thought he had a _____ Adjective willey. The next day we hooked up again but I realized I made a _____ small or big mistake because he was _____ Adjective af!! But I didn't bother because I just _____ loved or hated his willey, like OMG he spunkarooneys all over me and it was like having a _____ Firstname of a person spunkarooney on me, seriously, it tasted like cupcake icing it was all _____ Adjective and gooey. So that sums up my first time so really I loved or hated it.
