My New Baby

On the weekend I had a baby, his name is _____ name _____. My favourite thing to do with him is to _____ verb _____ raspberries on his _____ Part of Body _____, he _____ sound ie giggle squeal etc _____ and sometimes he _____ verb _____ me but I don't mind. He weighed _____ Number _____ Kg when he was born and he was _____ Number _____ cm tall, he has _____ colour _____ hair and _____ colour _____ eyes.

I was told he has unusually _____ Adjective _____ _____ Part of Body _____ so I said, "will that affect him much?" and the _____ proffesion ie doctor lawyer etc _____ replied with " _____ yes no maybe etc _____, he won't have any _____ Animal (plural) _____."

I gasped and ran out of the hospital, only to find that the _____ proffesion ie doctor lawyer etc _____ was already there! Suddenly _____ name _____ jumped out of my arms and karate chopped the _____ proffesion ie doctor lawyer etc _____ in the face then went back in my arms and kept sleeping. I was so shocked I _____ verb _____, when I regained consciousness I was lying in my _____ furniture _____ and I didn't have a _____ family member ie sister uncle grandmother etc _____ in the room.

I went looking around the house and I found him playing with _____ utensil plural ie knives chopsticks etc _____, I grabbed the _____ utensil plural ie knives chopsticks etc _____ off him and put them back in the _____ furniture _____. I put John to bed and _____ verb _____ him a lullaby.

I will never forget this day as long as I live.
