# Boss's Day

You make work           Noun          . I know how much           Noun           it takes affects           Noun                     Noun -  
Plural          . Makes me           Verb          .

Be sure to listen to the audio recordings if you miss a rehearsal. This will help you be familiar with your part and  
Patty won't have to spend extra time bringing members up to speed on music that she's already reviewed. Of  
course, if you have questions on any music, Patty will be more than willing to address it. (We just have a lot of  
music to cover and time flies by quickly, as most of us know.)
