the boy

there is a Adjective boy on the Noun team I like his name is boys name. He has
Adjective hair and Adjective eyes. Today he told me he is in Adjective with me I almost
verb to the Noun I was so Adjective. Then I told him how I felt and I told him I
Adjective him too. Next thing I know we are boyfriend and girl friend he is my Noun to my
Noun. So my advice is just don't be scared to talk to a boy.
