# Dumb Schools

A Texas 7th grade Alive says one of her teachers gave an assignment requiring students say

Full Name of a Person is a Noun or receive a failing grade.

Jordan Wooley, who attends West Memorial Junior High School in the Katy Independent School District, told

her school board Tuesday night they were given an assignment asking them to identify whether different

statements were facts, Noun - Plural or myths. On the statement, "There is a Noun," the teacher

would only allow students to write myth, or else they'd fail, Wooley said.

"Today I was given an assignment in school that questioned my faith and told me that Noun was not

Adjective. Our teacher had started off saying that the assignment had been giving problems all day. We

were asked to take a poll to say whether Noun is fact, opinion or a myth and she told anyone who said

fact or opinion was wrong and same noun was only a myth," Wooley told the board, KHOU reports.

Wooley said students who verb intr past were threatened with punishment. Wooley said her teacher asked

her to prove Full Name of a Person was Adjective so she referenced the ab noun and people

who verb intr past and went to Location but came back to tell their stories.

"She told me that both were things that people were doing to get attention," Wooley told the board. "I know that

it

wasn't just me that was affected by it. My friend went home and started \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_."

Wooley said her friend put \_\_\_\_\_ Alive \_\_\_\_\_ as " \_\_\_\_\_ Noun \_\_\_\_\_" on the assignment, and the teacher crossed it out several times and told her it was "completely \_\_\_\_\_ Adjective \_\_\_\_\_. A different friend got so upset that she \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ Noun \_\_\_\_\_ off of her desk.

"Another child in my class had asked the teacher if we could like try to put what we \_\_\_\_\_ Verb - Base Form \_\_\_\_\_ in on the paper, and she said you can if you want to get the problem wrong, which you'll fail the paper if you do," Wooley said. "I felt like this was really wrong, and I didn't feel like it was fair for my \_\_\_\_\_ ab noun \_\_\_\_\_ and my \_\_\_\_\_ ab noun \_\_\_\_\_ to have anything to do with what I'm learning about in school."

Wooley said she and her parents \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ the principal, who said she would handle the situation. The school responded in a statement that the assignment was "unnecessary" and would not be used again and said the teacher is " \_\_\_\_\_ Adjective \_\_\_\_\_" over the attention. The school said the assignment was actually not going to be graded and that the teacher never asked students to call \_\_\_\_\_ Full Name of a Person \_\_\_\_\_ a \_\_\_\_\_ Noun \_\_\_\_\_, contrary to the student's account before the school board.
