svdc

1. Noun _____

svdc

[[FOR SECOND LETTER EARNED]] STEP 2: Create the MADLIB!

On your paper copy, highlight the words you want to "replace" to create the MADLIB. Number each word.

Below your story, make a numbered list. Fill in the part of speech for each numbered word.

You must replace AT LEAST TWO of each part of speech (noun, pronoun, adjective, verb, adverb, preposition,

conjunction, and interjection).

Choose appropriate words:

that are not repeated in the story.

that do not change the understanding of what happens in the story.

Get two classmates to read and sign your paper copy to verify that you have identified the parts of speech

correctly.

[[FOR THIRD LETTER EARNED]]STEP 3: Publish the link to your interactive MADLIB into Google

Classroom!

Go to

Choose the genre "Childrens".

Add the title. Copy and paste your story from your Google Doseedent into the text box.

On the next screen, follow directions to replace various parts of speech. {DO NOT use the AUTO button.}

Click the link to see your Mad Lib.

When you get to the page with the boxes to enter words, copy that web address.

On

the Comment feature on the stream in Google classroom, copy and paste the _____Noun_____.
