# Student Council during homecoming

Homecoming is an absolutely \_\_\_\_\_ Verb - Present Tense and \_\_\_\_\_ Verb - Present Tense experience. It is also \_\_\_\_\_ Verb - Present Tense and brutal. Although when you are apart of the \_\_\_\_\_ Noun, it is one of the best things \_\_\_\_\_ Pronoun will ever experience. Unplugged was a \_\_\_\_\_ Adjective experience because \_\_\_\_\_ Noun - Plural got to work as \_\_\_\_\_ Noun - Plural for bands, and work the \_\_\_\_\_ Noun \_\_\_\_\_ Noun - Plural and such, but overall it is an \_\_\_\_\_ Adjective experience.
