Gangsta Napoleon

Some Adjective day in Number, Proper Noun was tired of his Adjective routine.

He decided to move to the Adjective country of Proper Noun. When he got there his ship was instantly Verb - Past Participle by gangsta native Americans. He joined forces with their leader, Jackie Chan.

Proper Noun said they were in need of Proper Noun Adjective strategy skills. They needed him to become number one in Clash of Clans leader board. A hard task for sure, but nothing Noun could not Verb. Sadly he ended up blowing Number,000 on little people with yellow mustaches.
