how to make out

First, you have to find a really Noun girl. Then, you say "do you like to get naughty?"; if she says no, find another girl. if she says yes, tell her to meet her at the Adjective Place. when you meet her, Verb her Body part Adverb.if she smiles, then you're doing Adjective. Adverb remove your clothes, she will probably do the same. then give her a Adjective Verb on the Body part take your hand,and Verb her breasts.lie down and say, "join me!" ; if she gets on top of you, then start to Verb her. if she Verb your Body part then she likes it. from there, do what you want with her. REMEMBER! BE Adjective
