The U.S. is "Adverb certain" ISIS member Mohammed Emwazi was killed in a drone strike in Raqqa, Syria, the chief military spokesman in Iraq said Friday.

Speaking during a briefing in Baghdad, Col. Steve Warren said that U.S. intelligence indicates that the the notorious killer, also known as "Jihadi John," and one other person died in the targeted attack, but he was awaiting final confirmation.

Emwazi, a Briton who Particle up in London, first Noun notoriety after he killed American journalist James Foley last year in an ISIS propaganda video.

Warren said that while the strike was a fairly routine one, Jihadi John's death was significant because he "was somewhat of an ISIL celebrity" and "the face of the organization."

But he Verb - Present Tense that while losing Noun was a blow to the "prestige" of ISIS, "Jihadi John was not a major tactical figure or operational figure.

The White House said Friday it was not in a position to confirm Emwazi's death and Adjective questions about the strike's success to the Department of Defense. At a press briefing, Press Secretary Josh Earnest called Jihadi John an "ISIL leader and a strategist" and said he was "a Noun worth going after." He said President Obama was briefed on the strike yesterday but that no final determination had been made about Emwazi's current status. He said that a number of families of hostages in Syria were contacted ahead of public reports of the operation.

British prime minister David Cameron, in a statement at Downing Street, said on Friday that he believed the attack

was a "strike at the heart of ISIL."

"We Verb - Present Tense been working with the United States, literally around the clock, to track him down,

" Cameron said. "This was a combined effort and the contribution of both our countries was essential.

"He posed an ongoing and serious threat to civilians, not only in Syria but around the world, and in the United Kingdom too. He was ISIL's lead executioner and let us never forget that he killed many Noun - Plural too.

And he was intent on killing many more people. So this was an act of self-defense. It was the right thing to do.

"It will to to those who would do Britain, our people, and our allies harm: We have a long reach, we have unwavering determination, and we never forget about our citizens. The threat ISIL pose continues. Britain and our allies will not rest until we have defeated this Adjective terrorist death cult and the poisonous ideology on which it feeds. Today, though, my thoughts and the thoughts of our country are with the families of those who were so brutally murdered."

Britain's opposition leader, Jeremy Corbyn said that it would have been better if Emwazi had been held accountable in a Preposition or subordinating conjunction of law, the Associated Press reported. It appears

Mohammed Emwazi has been held to account for his callous and brutal crimes," Corbyn said. "However, it would have been far better for us all if he had been held to account in a court of law."

The Pentagon was also reluctant to give final confirmation that the targeted attack had been successful, instead saying "we are assessing the results of tonight's operation and will provide additional information as and where appropriate."

Secretary of State John Kerry said Proper Noun in Tunisia that, "we are still assessing the results of this strike,

but the terrorists associated with Daesh need to know this: Your days are numbered, and you will be defeated."

"There is no future, no path forward for Daesh, which does not lead ultimately to its elimination, to its destruction," Kerry said.
