Intelligence

Once there was a _____ girl. She was very _____. But she was very _____.

She loved to _____ and do _____. But no one understood why she wasn't very social. Some people called her _____ or _____ because she never talked all she did was work on school. But she knew what she was doing. She wasn't just a _____.

She was a _____. All she was _____ on was learning how to _____ a _____ that makes food out of just _____. But she never understood the one part that was required to complete her machine. But there was this one other _____ that knew how to do it. But she was very shy. So she didn't want to ask that _____ for help. She was too afraid of what he would say. But she had to get help from _____. So she went up and asked the boy for some help, but he asked that in return for him helping her she would go to the school _____ with him. She agreed and in the end they got the _____ to work.
