

Title

1. Determiner
2. Pronoun

Title

Once upon a time, there was a , and when there was in Determiner , Pronoun decided to .Use your knowledge of fairy tale elements to create your own MadLibs story! I've written two different stories with some blank areas with small words underneath them, which tell you what kind of word belongs there. Write in an answer, and when everyone is done, share with each other the fairy tales you've created! Use your knowledge of fairy tale elements to create your own MadLibs story!
