# My First Time on an Airplane

I was in an airplane for the first time on my way to \_\_\_\_\_ Location \_\_\_\_\_ with two of my friends. That airplane ride was a \_\_\_\_\_ Adjective \_\_\_\_\_ one. When \_\_\_\_\_ First Name of a Person \_\_\_\_\_, \_\_\_\_\_ First Name of a Person \_\_\_\_\_, and I got to the airport, we saw a lot of \_\_\_\_\_ Noun - Plural \_\_\_\_\_. It was kind of \_\_\_\_\_ Adjective \_\_\_\_\_ but we kept \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ to our plane section. As we were waiting in line for our luggage to be checked, we saw a \_\_\_\_\_ Adjective \_\_\_\_\_ man walk by who seemed to recognize us, but I've never seen him before in my life. He \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ over, gave us all big hugs, and then \_\_\_\_\_ Verb - Past Tense \_\_\_\_\_ away. It was one of the most random situations I've ever been in. After we finally got our luggage checked, we were about to board the plane, when a \_\_\_\_\_ Adjective \_\_\_\_\_ woman, (wearing a uniform that said 'Guard') stopped us and said " \_\_\_\_\_ Interjection \_\_\_\_\_, where are you guys going?" We all said \_\_\_\_\_ Location \_\_\_\_\_. She shrugged, as if she didn't care, and walked away. Not worrying about what had just happened, we kept \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ until we were on the plane. Our seat was in the back \_\_\_\_\_ Preposition \_\_\_\_\_ the plane and it took us forever to find it. We sat in our seats and watched a movie until we took off. That's when \_\_\_\_\_ First Name of a Person \_\_\_\_\_ suggested that we play Truth or Dare. It was my turn first and I choose dare. It took \_\_\_\_\_ First Name of a Person \_\_\_\_\_ a few minutes to think of something good when finally \_\_\_\_\_ Pronoun \_\_\_\_\_ said " \_\_\_\_\_ Interjection \_\_\_\_\_, go tell the pilot that (at the back \_\_\_\_\_ Preposition \_\_\_\_\_ the plane) you were scared of airplanes." Trying to act \_\_\_\_\_ Adjective \_\_\_\_\_, I did exactly what \_\_\_\_\_ First Name of a Person \_\_\_\_\_ told me to do. The pilot's response was that if I just sat in my seat, I'd be fine. But on the way back to my seat, I heard the Pilot's voice over the loud speaker \_\_\_\_\_ Conjunction \_\_\_\_\_ said "We are expecting some minor turbulence, \_\_\_\_\_ Conjunction \_\_\_\_\_ please buckle up!" Then the plane started to shake rapidly. That's when I realized that the next

time we should \_\_\_\_\_ Adverb drive. When I reached my seat, the shaking stopped, I thought it would be best if

I let \_\_\_\_\_ First Name of a Person and \_\_\_\_\_ First Name of a Person play Truth or Dare on their own. A

\_\_\_\_\_ Adjective lady, ( that worked on the plane) woke me up informing me that we would be in the air for

another hour. She also asked me if I would like any peanuts \_\_\_\_\_ Conjunction pretzels. "I said no thank you,"

and tried to fall back asleep. When I woke me up saying that "we were about to land" and I \_\_\_\_\_ Adverb

packed up my stuff ready to get off that plane. \_\_\_\_\_ Location was great. We saw many \_\_\_\_\_ Adjective

places. Though when it was time to go back home I wasn't sure I wanted to get back on the plane again.
