The Thanksgiving Dinner

At the Thanksgiving dinner my mom made the Noun . So she put the Noun in the oven for one hour. When the timer dinged we opened up the oven. The Noun was burned. So my mom checked the Adjective pie and the dog was eating the pie. We all started to Adjective . Was this the last thanksgiving for us? So we called our Proper Noun to help us make Thanksgiving dinner. He came in a jet in five minutes with a thanksgiving dinner. Our grandparents saved our Thanksgiving dinner. So we all lived Adjective ever after until Christmas dinner!
