My Bad Day

Today had been one of the _____ days of my _____ life! First of all, my alarm _____ did not go off, so I overslept and I was _____ hours _____ for school. I had to walk to school which, _____ for me, took me _____ . When I finally got to school, my teacher Ms. _____ started _____ me and telling me off for being tardy once again, so she gave me detention. The nerve of that _____ ! Who does she think she is? Then my best _____ and I got into a _____ fight over something so _____ and _____ , I couldn't even remember what it was about. She called me a _____ to my face, and said I was the _____ friend she's ever had. I also found out on my report _____ that I got a _____ in _____ , an _____ in math and science. Great, I'm _____ most of my classes! And if the _____ wouldn't last, my boyfriend _____ , whom I've been dating for _____ , decided to end our relationship. It turns out that he's dumped me for an older girl who looks like she is in her _____ 's. Oh, what a surprise---she's a total _____ ! Could this day get any _____ ?!

When I finally got home, I saw that _____ little _____ had been _____ around my room, _____ my diary. She's such a _____ , and that's the truth. Mama and Papa eventually found out about my report card _____ ,

and they became so Adjective, they grounded me for a whole Amount of Time. A whole
Amount of Time! Can you believe it? Anyway, this was the Adjective - Ends in EST day of my life, and I
hope to never live it again! Hopefully, tomorrow turns out to be a much Adjective - Ends in ER day.
