# My dearest Auntie,

My dearest Auntie,

You are the most Adjective Noun in the world and I want you to know how Adjective you have been in my life. I would Verb - Base Form to the Noun of the Adjective to see you. You have always been a Adjective and Adjective auntie and I wish you every Adjective in the world. I hope you will receive much Adjective and Adjective this year and that you will Adjective them all. I would send you a Adjective but I cannot find the Noun Adjective as I have been Verb - Base Form to much and can't find my Noun. I am feeling overwhelmed and irritated because you sent me a Verb - Base Form. I wanted a car instead. But I appreciate the effort because you are a bit nutty.

I wish you many gifts this Christmas and wish you every happiness in the new year and may you always have frogs in your heart.
