Fairytale Mad Lib

In the land of _____
decided to take a walk by the _____ forest. Out of nowhere, a flying _____ landed by her side
and stole her _____! She became very _____ and began to throw _____ at him. The
flying wolf got scared and _____ away, leaving the Princess without her _____. While
she was trying to figure out what she should do, she ran into Cinderella, another princess who also was a
champion _____ eater. Cinderella told her she had seen the flying _____ _____
_____ right before she had got there. The two decided to hurry so they could catch the thief. They
continued on their path through the _____ forest when they came across a big _____. The pair
heard a girl's voice crying " _____!" so they _____ to the rescue. A little girl dressed in
a red cloak was being cornered by the _____! Princess Leigh _____ him away and took
back her _____. The girl (who turned out to be Little Red Riding Hood's cousin) was relieved and
Princess Leigh got her _____ back...
