Hmmmmmm....

The number Adjective Noun had an idea to Adjective a Adjective Noun each for themselves so they can be Adjective from the Adjective Adjective Noun. One pig made a straw Noun, another made a wood Noun and the last one made a brick Noun. The big bad wolf blew the straw Noun down and the pig ran into the wood Noun and started Verb - Present ends in ING. The big bad wolf blew the wood Noun down and the two pigs ran into the brick house and the big bad wolf couldn't Adjective the Noun down so he went Noun.
