# Let it Go

The           Noun           glows           Adjective           on the           Noun           tonight

Not a           to           to be seen

A kingdom of           Coordinating conjunction          ,

And it looks like I'm the           Verb - 3rd Person Singular Present          .

The wind is howling like this swirling storm inside

Couldn't keep it in, heaven knows I tried!

Don't let them in, don't let them see

Be the good girl you always have to be

Conceal, don't feel, don't let them know

Well, now they know!

Let it go, let it go

Can't hold it back anymore

Let it go, let it go

Turn away and slam the door!

I

don't care

What they're going to say

Let the storm rage on,

The cold never bothered me anyway!

It's funny how some distance

Makes everything seem small

And the fears that once controlled me

Can't get to me at all!

It's time to see what I can do

To test the limits and break through

No right, no wrong, no rules for me I'm free!

Let it go, let it go

I am one with the wind and sky

Let it go, let it go

You'll never see me cry!

Here

I stand

And here I'll stay

Let the storm rage on!

My power flurries through the air into the ground

My soul is spiraling in frozen fractals all around

And one thought crystallizes like an icy blast

I'm never going back,

The past is in the past!

Let it go, let it go

And I'll rise like the break of dawn

Let it go, let it go

That perfect girl is gone!

Here I stand

In the light of day

Let the storm rage on,

The cold never bothered me anyway!
