Emily's Story, part 2

Marissa and Rachel had been trying to melt their crayons into in the microwave. To the	eir
dismay, the crayons all over the microwave, ruining their dreams of surprising Gran	dma
and Grandpa with a	the
microwaveand the worst part was that their mom would be home soon with the Noun - Plural!	
Working, the girls pulled a couple of up to the microwave and tried to	
Verb - Base Form away the Adjective Noun Noun - Plural and Noun - Plural	
did no good. The three girls chipped away at the wax with their Noun-Plural, cleaning the microway	ve
inch by slow inch.	
Soon enough, just as the last bit of wax was verb - Past Tense away, the door opened and their mother	and
grandparents came in. After they all exchanged Noun-Plural and Noun-Plural, Mom offered	
Grandma some	
As their mother opened the door to the microwave, there was a pause. She looked the	
microwave over, from top to bottom. The three girls held their Would she	see
some evidence of their	
" Term of endearment-plural !" she finally exclaimed. "You Verb - Past Tense the microwave! Thank you	you!"

Max's advice: Make sure to try this at home!
