The mighty quest for epic defeat.

Once upon a time <u>Male name</u> was doing what he could best, <u>Verb - Present ends in ING</u>. As he was Verb - Present ends in ING Female name came in and started to Verb - Base Form with her Bodypart . He said to her :'I hate you, and your family'! she replied to him, Hey if you want to Ver<u>b - Base Form</u>, better not do in in my <u>House</u>. he tought about her statement and Movement Out of her house. she was Adjective and went Verb - Present ends in ING . As she was Verb - Present ends in ING she fellt an eerie feeling of a monster. Her feelings were right, ________ came out of the <u>Room in a house</u> that was standing in her toiletroom. The monster came right up to her Bodypart and whispered : Yo home to Bel-Air! She pulled out a _____ and started to slap the monster with it. He heard the whispering from miles away and came to the recue to save her from the foul beast. When he came into the house he yelled : Say hello to my little friend, and pulled out a <u>weapon</u>. Trying to save her friend, <u>Movie character</u> appeared and said to him : quick give me that weapon! He tossed the weapon to him and so he started to slap the monster until a <u>Vegetable</u> came out of his <u>Bodypart</u>, and started to yell and his <u>Bodypart</u> became <u>Color</u> like a <u>Fruit</u>. He did this until the monster was defeated, but then ______ emerged from the dead body. The monster killed all the 3 combatants in a heavy fight. With his dying breath he said : I did it for you ______, and for my country , <u>Country</u>. And so goes the story of the 3 lads who battled the legendary monster. Legend says that the offspring of the monster is still roaming the world to this day and trying to kill the family members of the so called celebrity.
