# Kick the Habit - What's Your 2016 Resolution?

For 2016 I decided to stop Verb - Present ends in ING. This will be a very Adjective effort because I really enjoy Noun - Plural. But well worth the time and Noun - Plural involved. I am truly inspired by name of person or celebrity. His/her Adjective outlook and Adjective life choices make me feel like I can really Verb - Base Form my 2016 New Year resolutions!
